2010 First Aid Meet Guidelines

1. There will be many concurrent activities at the Faith Lutheran Campus. Please park next door at The Bridge. This will require Scouting behaviors to be in line with the Scout Oath and Scout Law.
2. Check-in will begin at 8:30. Troops arriving late will begin at the next rotation after their registration is completed and will not be allowed to make up scenarios.
3. Patrols should have between 3 and 6 Scouts (\$5.00 per person to cover patches and awards).
4. Each patrol will supply at least one adult Scouter as a judge.
5. Each patrol must have its own first aid kit and supplies (see your First Aid Merit Badge Booklet and BSA Handbook).
6. During each scenario the patrol must select a spokesman. The judge will only take verbal answers from the spokesperson. All patrol members will act as spokesman during at least one scenario or lose 5 points each omission.
7. No books or manuals are allowed.
8. Uniform judging will take place and be part of the overall score.
9. There will be 6 scenarios taken from official BSA First Aid Merit Badge Booklet and the BSA handbook.
10. Safety Officers will note disruptive or dangerous behavior and have the authority to discontinue any scenario. This will result in zero points for the scenario.
11. Food and beverages will be available for purchase. Must be consumed in appropriate location.
12. Help will be needed policing the facility at the close of the event. Please leave it better than we find it as other events will follow our activity.
13. Thank our gracious hosts, Faith Lutheran School for allowing us the facility use.
14. Thank you for your participation.
