

Dear Cub Scout Leaders:

Please save the date for a very important meeting next week:

**What?** Kickoff Meeting for 2011 Tri-District Day Camp

**When?** Monday, February 28, 2011 at 7:00 pm

**Where?**

George Memorial Library  
1001 Golfview Drive  
Richmond, TX 77469

**Who should attend this meeting?**

This meeting is open to all leaders interested in learning more about 2011 Day Camp (June 14 – 17, see attached flier), but it is meant specifically for leaders that will be responsible for coordinating Day Camp registration within their Pack. This could be a Pack Committee Chair, or an Outings Chair, or a Cubmaster. Ideally your Pack Committee should designate a Day Camp Coordinator or Chairperson to coordinate registration for your Pack.

**Why should you attend this meeting?**

Day Camp promotion needs to start now. Even though June seems months away, it will be here before you know it. Early registration starts in March 2011. At this kickoff meeting, we will be reviewing all the materials and tools that you need to ensure the registration process will go smoothly for your Pack. Additionally, we will be providing upcoming dates for Den Walker training and Pack registration packet turn-in, as well as other great ways to get the latest 2011 Day Camp news and information.

**Why should your Pack consider attending Day Camp?**

Tri-District Day Camp is an annual event of four fun-filled days available to all registered Cub Scouts and Webelos. It is the combined effort of volunteers across our three great Scouting Districts: Brazos, North Star, and Thunder Wolf District. This year our camp theme will be “Texas Our Texas” in celebration of the 175<sup>th</sup> anniversary of Texas Independence. The activities offered at this event will help each of the Scouts earn credit towards their Rank Advancement, Arrowpoints, WEBELOS Activity Badges, and Sports and Academic Activities including BB Guns and Archery!

Each registered participant also receives a great looking T-shirt, a very special patch, and cool water bottle.

Best regards,

David
